It is a matter of great privilege for us to invite you all to IASCON 2017, the grand event of arthroscopy at the mesmerizing heritage Pink city of Rajasthan, Jaipur. Keeping the ever evolving scene of our field, the theme for this conference is kept as '**Learn, Relearn and Excel!**'. We aim to provide inspiration to young and emerging surgeons, while adopting a diverse technical repertoire of advanced arthroscopic surgery. We offer an opportunity to emerging surgeons to **Learn** basic Arthroscopy skills, **Relearn** and refresh knowledge through discussions over controversies and latest enhancements in the field and last, but not the least, **Excel** by applying this knowledge to your clinical practice with clearer concepts.

We offer you an unmatched trinity of exceptional live surgeries, brilliant course content and interactive sessions with internationally revered faculties. You have an opportunity to learn, interact and inspire from eminent National and International faculties across the globe.

We take this opportunity to take you for an exciting ride into the world of cutting edge arthroscopy spanning all joints from the knee to the shoulder, hip to the elbow and wrist to the ankle.
