Welcome Message

Dear friends,

Welcome to India's first two days exclusive meniscus course @ Hyderabad.

This 13th SISA Course will involve elite faculty practicing advanced meniscus preservation. Two days of demonstration of newer repair techniques, allograft transplantation, complex case discussions, hands on workshop with currently available meniscus repair gadgets across indian market. Be there to share, upgrade and promote SAVE THE MENISCUS with morning walk on Sunday.

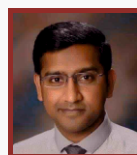

Hyderabad, a city with rich culture and heritage is popular for historic monuments like Charminar, Golconda, Salarjung Museum, Falaknuma & Chowmahallah palace's and other tourist destinations like Birla Mandir, Hussain sagar lake, Gandipet, Ramoji Film City, Shilparamam, Nehru Zoo Park, Wonderla, the Suspension Bridge over Secret Lake a new attraction add to it's glory. The city is a culinary delight offering most delectable Telugu, Mughlai, Nizami, and Turkish cuisines. Hyderabad has emerged as the most liveable city in India, the great connectivity of the rapidly expanding city by ORR has etched its mark as a global city & is a hub for medical tourism, IT sector. It will be gratifying to extend your stay and catch a glimpse (or spot) the nearby destinations - Yadadri Temple, Pochampally Ikkat Village a shopper's paradise, and abode of Anantha Padmanabha Swamy at Ananthagiri Hills.
